

SANDEEP SONI

Founder

Soni Brothers Ecom Pvt. Ltd. | April 2016

Graduated with Bachelor of Pharmacy followed by Masters in Pharmacology (M.Pharm) from K.I.E.T School of Pharmacy Muradnagar Ghaziabad U.P.

Experience

- Director | Soni Brothers Ecom Pvt. Ltd.

Experience and exposure to pharma world makes me to do in the field of healthcare sector. So, we are providing healthcare services digitally and make them affordable although we are working on managing patient data digital and categories them according to their financial status.

Low financial patient get healthcare services on subsidies rates through which we working on Healthy India.

- Medical Representative | Modi Mundi Pharma Pvt. Ltd.

First Job to introduce myself to professional world, lots of hurdles and opportunities makes me stronger and strategic towards day to day problems.

About Company

- Soni Brothers Ecom Pvt. Ltd. is started with vision of Digital and Healthy India
- Digitally no boundaries of region. So, accordingly we are building a digital ecosystem where everybody can register himself and get all healthcare services under one roof but every system has its own limitation as lower financials does not have the excess to internet and smart phones.
- Accordingly we are opening our pharmacy store to serve everyone instantly and connected lower financial condition patient to our store so they get healthcare services on subsidies rate .

Achievements

- We are stepping towards our vision and opened our first pharmacy store named
- **APNI CARE PHARMACY** in Modinagar where Lower financial condition patient medicines on subsidies rates and company working progressively to provide every healthcare service soon.

Recognition

S.B.E.P.L is recognized under startup India program with DIPP3305 on 03 June 2017.
